

## Change in the management team

**Lund, Sweden, 17:00 PM CET, 12 February 2020** – BONESUPPORT™, an emerging leader in orthobiologics for the management of bone injuries announces a change in its management team. Patrick O'Donnell will leave BONESUPPORT and his role as General Manager & Executive Vice President Commercial Operations North America, effective as of today. As a consequence of this change the Company's US organization will during an interim period report directly to CEO. The replacement to the position GM & EVP North America will be announced at a later stage. "I would like to thank Patrick for his time within BONESUPPORT and his important contribution to establishing an independent commercial platform in the USA" says CEO Emil Billbäck.

### About BONESUPPORT™

BONESUPPORT™ (Nasdaq Stockholm: BONEX) develops and commercializes innovative injectable bio-ceramic bone graft substitutes that remodel to the patient's own bone and have the capability of eluting drugs. BONESUPPORT's bone graft substitutes are based on the patented technology platform [CERAMENT](#). The Company is conducting several clinical studies to further demonstrate the clinical and health economic benefits that its products deliver and a Premarket approval filing with the FDA (USA) for [CERAMENT G](#) is planned in 2021. The company is based in Lund, Sweden, and the net sales amounted to SEK 97 million in 2018. Please visit [www.bonesupport.com](http://www.bonesupport.com) for more information.

BONESUPPORT and CERAMENT are [registered trademarks](#) of BONESUPPORT AB.
